HUES OF LIFE

(A Poem)

Priti Sharma

(Formerly) Assistant Professor

Lingayas University, Faridabad

Haryana, India

.....

Life has got numerous hues,
Sometimes red, sometimes black.
One who dreams to walk on petals,
Sometimes gets thorns and thistles.
Still forward march leads to the right,
Sure it shows the brightest sight.
Hurdles make life more challenging,
A winner believes in such a living.
Life is not in simple talking,
Pleasure remains in giving, forgiving.
Let us lead a meaningful life,
Living in peace not in strife.
We begin mother's pride,
Let us take her to a brighter side...
