.....

Mountains of Kalinga called her,  
Vibrant and sensuous Kaurvaki,  
gazed only Ashoka.  
In its depth of dilation,  
and irresistible beauty and brain,  
with greater recommendation  
from her sensational lips,  
Ashoka throws himself in whirlpool.  
He seized the territory of her heart.  
What should she do?  
His looks, played strange  
games on her,  
and wiped her like a portrait.

Her charisma, is still in his brains.

Consciously he perfumed her

In his thoughts and

decided to stay in Kalinga.

Is Kalinga the final solution?
